

ASSOCIAZIONE ALI D'AQUILA

What is it?

The association has formed from a pre-existent work of an informal group of young people of Oratorio S. Filippo, which has been pledging in care's actions and assistance towards the homeless people for about two years. The association has immediately found the support of S. Michael Archangel's parish, of Caritas and of several realities already present on the territory. The association is a new and young reality and, for these reason, shows the necessary will and enthusiasm for an ambitious project.

What does it offer?

The association offers a showers' service, a clothes' change and some tea to the homeless people of Busto Arsizio on Saturdays morning. Moreover, the commitment of every voluntary is not to stop at the few material things which they can do, but to offer their friendship and hospitality to those people who address to them.

When and where does the service take place?

The service takes place at oratorio S. Filippo on Saturdays morning from 10.30 a.m. to 1.00 p.m..

At the same time it is possible to bring Oratorio clothes in very good condition or new underwear.

Who can become voluntary?

Anyone who has will to meet people and to devote his time and his will to a concrete charity's proposal. Moreover, it is possible to ask the registration as supporter member by giving a free offer or a contribute in favourite form.
